MANAGEMENT DISCUSSION AND ANALYSIS REPORT**1. Industry Structure & Development**

2

FY 2022-23 saw the impact of the pandemic subsiding. However, the year was beset by supply chain disruption due to geopolitical situation in Europe and high inflation. Indian Packaging Industry has a very broad base with many tiny, small, medium and large sector units. Total capacity available in all the above sectors is around 3.75 Million Metric Tons, which is expected to increase to 6.00 million Metric Tons.

Indian Print & Packaging Market has witnessed an astounding growth. India is the 12th largest Print & Packaging Market in the World. The growth is significant in the Eastern region. More modernization required to keep pace with rising demand. Paper, Paper Board & Packaging material scenario continues to be bright as more and more plastic materials are being discarded. FY 2022-23 saw the impact of the pandemic subsiding.

3. Opportunities & Threats
Opportunity

Your company primarily supplies packaging materials to the Tea Industries, Pharma- ceutical Industries & Spices Industries. Though the general economic situation, particularly the export segment of Tea remains depressed basically due to Russian Union countries going in for bulk rather than packed ones and the off take of Arabian countries has also declined. Thus packaging requirements had proportionately declined. Now as the things are coming back to normal the packaging industry is once again looking forward for a turnaround in near future.

Threats

- i) Higher domestic cost of power & fuel and a large component of domestic taxes in cost of production have made the product somewhat uncompetitive in the export as well as in the domestic market.
- ii) Some multinational export houses have preferred to import their packaging materials without payment of import duties and this is an additional threat for the industry's performance.
- iii) With the FSEZ, it has resulted in rather impossible situation of domestic sale on account of the Custom duty leviable on the domestic sale which is much higher compared to Excise Duty chargeable by DTA manufacturers. Hence even producing from indigenous raw materials, supplies to DTA area is very costly and hence the market of that segment has become non-existent.

4. Segment wise /Product wise Performance.

The Company is a Paper-based Packaging & Publishing product manufacturer.

5. Outlook

The Company, in keeping along the recent trend of Consumer friendly pack, has geared themselves for producing the same in their factory. Presently the Company is manufacturing printed packaging cartons/boxes of international standard and specification.

Under its ISO certification, the Company has engaged in continuous monitoring of its manufactured quality and has setup a self-sufficient laboratory for the same. With the improvement of demand in exports, the company expects to fulfill its goal to serve the consumer industry in the best way possible. The sudden global pandemic has made the situation very gloomy. Proper sanitization and social distancing norms were being maintained. Frequent lockdowns have effected production severely.

6. **Risk and Concern**

In order to be more competitive in the overseas market, the exporters are trying to offer more favorable price, which eventually is reflected in their buying of packaging items at a lower price. Therefore, the Company as well as the industry at large is unable to pass on the hike in cost of power, fuel, labour etc. to the consumer, which adversely impacts profitability.

7. **Internal Control Systems and their adequacy**

The Company has adequate internal control systems, which are reviewed by the Management and the internal auditors through quarterly audit of various areas of Company is operations to ensure that the systems are being properly complied with and transparency is maintained. The observations of the Auditors along with Company's replies are placed before the Audit Committee of the Directors on regular basis for reviewing their adequacy.

8. **Financial performance with respect to operational performance**

Because of a depressed market, the capacity utilization as per target could not be achieved and the Company was obliged to have a restricted manufacturing operation. In line with the current trend, the Company has implemented several cost control measures to offset increase in production cost. It has identified further possibility of cost reduction with some capital investment, which will be executed as soon as the marketing scenario turns better.

9. **Material developments in Human resources/Industrial Relations front, including number of people employed**

In order to achieve full utilization of equipment potential and inculcate proper operation and maintenance practices, the Company's personnel are exposed to latest ideas and concepts through various in-house as well as external training programmes of reputed institutes within its financial limitations. Interactions amongst plant personnel on a daily basis also improve sensitivity about the plant, which helps in better identification of plant problems and their resolutions and also in identifying areas of cost reduction. The Industrial Relations remained cordial during the year under report.

10. **Cautionary Statement**

Statement in the Management Discussions and Analysis Report in regard to projections, estimates and expectations have been made in good faith. Many unforeseen factors may come into play and affect the actual results which could be different from what the Directors envisage in terms of future performance and outlook. Market data and product information contained in this Report have been based on information gathered from various published and unpublished reports, and their accuracy, reliability and completeness cannot be assured.

Company as well as the industry at large is unable to pass on the hike in cost of power, fuel, labour etc. to the consumer, which adversely impacts profitability.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Ind AS and the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the management report but does not include the financial statements and our Auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (the Act) with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We are also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained

up to the date of our Auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**ANNEXURE-B: TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE
ON THE FINANCIAL STATEMENTS OF**

Antarctica Limited

[Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the Act)]

We have audited the internal financial controls over financial reporting **Antarctica Limited** (the Company) as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (<ICAI=). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the Guidance Note) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the Financial Statements

23) Significant accounting policies

(a) Statement of compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as Ind AS) as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended time to time.

(b) Basis of preparation

The financial Statements have been prepared on historical cost basis, except for certain financial instruments which are measured at fair value at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

(C) Use of estimates and judgements

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and judgements that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

Impairment of Investment

The company reviews its carrying value of the Investments carried at amortised cost annually, or more frequently when there is indication for impairment. Where the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

Useful lives of property, plant and equipment

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

Provisions and contingent liabilities

A provision is recognized when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised in the financial statements.

(d) Revenue recognition

Sale of Goods:-

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers.

Other Income:-

Interest income is accounted for accrual basis.

(e) Leases

Lease arrangement where the risks and rewards incidental to ownership of an asset substantially vest with the lessor, are recognised as operating lease. Operating Lease payments are recognised on a straight line basis over the lease term in the statement of profit & Loss, unless the lease agreement explicitly states that increase is on account inflation.

(f) Cost Recognition

Costs and expenses are recognised when incurred and have been classified according to their nature.

(g) Foreign currency

The functional currency of the Company is Indian rupee (s).

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses arising on settlement and restatement are recognised in the statement of profit and loss.

(i) Financial assets (other than at fair value)

Ind AS 109 requires expected credit losses to be measured through a loss allowance. In determining the allowances for doubtful trade receivables, the Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix. For all other financial assets, expected credit losses are measured at an amount equal to 12-months expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

(ii) Non –financial assets

Tangible and intangible assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount is determined on an individual asset basis unless the asset does not generate cash flows that largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.
